The annexes indicate in particular, the dates of closure for the submission of proposals for indirect RTD actions, an indicative date for the completion of the evaluations, the indicative budget, the instruments and the areas concerned, the evaluation criteria for the evaluation of proposals for indirect RTD actions, the minimum number of participants, and any applicable restrictions.

In accordance with Article 5(1) of the specific programme, the Commission of the European Communities (referred to as 'the Commission') has adopted on 9 December 2002 a work programme ⁽³⁾ (referred to as 'the work programme') setting out in greater detail the objectives and scientific and technological priorities of the specific programme, and the timetable for implementation.

In accordance with Article 9(1) of the Regulation of the European Parliament and of the Council of 16 December 2002 concerning the rules for the participation of undertakings, research centres and universities in, and for the dissemination of research results for, the implementation of the European Community Sixth Framework Programme (2002 to 2006) ⁽⁴⁾ (referred to as 'the rules for participation'), proposals for indirect RTD actions should be submitted under the terms of calls for proposals.

3. 5. Proposals for indirect RTD actions are invited to be submitted only as an electronic proposal via the web-based Electronic Proposal Submission System (EPSS ⁽³⁾). All proposals for indirect RTD actions must contain two parts: the forms (Part A) and the content (Part B).

Proposals for indirect RTD actions may be prepared off-line or on-line and submitted on-line. Part B of proposals for indirect RTD actions can only be submitted in PDF ('portable document format', compatible with Adobe Version 3 or higher with embedded fonts). Compressed ('zipped') files will be excluded.

The EPSS software tool (for off-line or on-line usage) is available via the Cordis website www.cordis.lu.

Proposals for indirect RTD actions that are submitted on-line and which are incomplete, illegible or contain viruses will be excluded.

Versions of proposals for indirect RTD actions submitted on a removable electronic storage medium (eg, CD-ROM, diskette), by email or by fax will be excluded.

Any proposal for indirect RTD actions that has been allowed to be submitted on paper and which is incomplete will be excluded.

Further details on the various proposal submission procedures are given in Annex J of the Guidelines on Proposal Evaluation and Selection Procedures.

6. Proposals for indirect RTD actions have to reach the Commission at the latest on the closure date and at the time specified in the call concerned. Proposals for indirect RTD actions arriving after this date and time will be excluded.

Proposals for indirect RTD actions not satisfying the conditions relating to the minimum number of participants indicated in the call concerned will be excluded.

This also applies regarding any additional eligibility criteria given in the work programme.

7. In the case of successive submissions of the same proposal for an indirect RTD action, the Commission will examine the last version received before the closure date and time specified in the call concerned.
